

Jensen Instrument Co.

643 S. Duggan Avenue • Azusa, California 91702-5185

Telephone: (626) 969-7991 • Fax: (626) 969-4991

www.jenseninstr.com • sales@jenseninstr.com

Manufacturers Representative and Stocking Distributor

Annunciators • Panalarm & Rochester
Signal Cond. • Scientific Columbus
Pressure Trans. • Gulton-Statham
Power Measurement Products
Fault Recorders • Rochester
Communication Products • Pulsar

Pressure & Temperature Gauges
Switches & Transducers, Diaphragm Seals

Fused Sightglasses & Lighting
Process Cameras
Particle Sizing
Process Analytical Technology

Pneu/ElectroPneu. Controls
Filter Regulators, Volume Boosters

Manifold and Isolation Valves

Gas Detection Sensors, Analyzers & Controls

Level/Flow Switches

Instrumentation & Controls

Purge & Pressurizing Systems

IR Pyrometers & Thermal Imaging

Stacked Disk Technology Control Valves

Control Valves

Magnetostrictive Level Gauges

Thermowells / Orifice Plates / Flush Rings

Digital Indicators & Controllers

Glass-Trac / Steam-Trac / Level-Trac / Mag-Trac
Level / Steam Gauges

T/C's, RTD Sensors & Assemblies

Nuclear Level & Density - TN & Kay-Ray
Density & Spec. Gravity - Sarasota
Ultrasonic Flow - Polysonics, M-PULSE
Flow Computers - AutoEXEC
Data Recorders - Westronics
Air Flow Sensors - Brandt

Flow Elements
Averaging Pitot Tube

Process Instrumentation Solutions Provider
